## Future-Ready with **AI**

One of Eastern India's Foremost Universities Embedding **AI Across All Departments**

Arabian Sea

# AI for All: Brainware University's Future-Ready Strategy

Brainware University is embedding Artificial Intelligence across its entire ecosystem – empowering students, faculty, staff and the wider community with future-ready skills.

## AI Across Campus

From classrooms to corridors, AI is seamlessly integrated into academics, administration and daily campus life

## AI Education for Everyone

Foundation-level and discipline-specific AI training equips all students, teachers, and staff with practical, hands-on AI tools

## AI-Powered Academics

Smarter teaching, learning, research, and assessment driven by intelligent technologies

## Smart & Streamlined Administration

AI-enabled systems enhancing efficiency in Admissions, HR, and Examinations

## Community Outreach & Impact

Driving AI awareness among **2,00,000+** students and parents across **2000+** schools in West Bengal

## AI Research Cell

The AI Research Cell empowers faculty and students to upscale their skills through hands-on, AI-driven research, innovation, and interdisciplinary collaboration.

# School of Medical & Allied Health Sciences

## Department of Allied Health Sciences

Courses recognised by Department of Health & Family Welfare, Government of WB

- Master of Medical Laboratory Science
- Master of Optometry
- Bachelor of Medical Laboratory Science
- Bachelor in Medical Radiology & Imaging Technology
- Bachelor of Critical Care Technology
- Bachelor of Optometry
- Bachelor of Physiotherapy
- Bachelor in Anaesthesia & Operation Theatre Technology
- Bachelor of Physician Associate
- Diploma in Medical Laboratory Science

### Salient Features

- **Diverse & Approved Programmes:** Offers programmes which are approved by the D.M.E, Ministry of Health & Family Welfare, Government of West Bengal
- **Unique Anatomy Lab:** The only private university in West Bengal to provide an original anatomy dissection cum museum exclusively for first-year students, a facility common only in medical colleges
- **In-House Clinical Facilities:** Features in-house licensed clinics for Pathology, Radiology, Physiotherapy and Optometry. These clinics cater to over 50 patients daily for hands-on experience
- **Early Clinical Exposure:** Students in Medical Laboratory Science, Medical Radiology & Imaging Technology, Optometry and Physiotherapy begin regular clinical training in university clinics from the second year
- **3+3 Clinical Training Rotation:** For Physician Associate, Anaesthesia & Operation Theatre Technology, a weekly 3 days of hospital duty and 3 days of classes rotation is followed
- **Extensive Government Tie-Ups:** The only private university in West Bengal with collaborations with 75+ government hospitals. Over 90% of students are placed in State and Central Government hospitals for observerships and internships
- **Community Outreach:** Organises more than 60 community health care outreach programs annually for real-world learning

### Specialisation Scope

- Specialises in the analysis of biological specimens, such as blood, urine, and tissue samples, to assist in diagnosing and treating diseases.
- Specialises in diagnostic imaging techniques, including X-rays, ultrasound, magnetic resonance imaging (MRI), computed tomography (CT), and nuclear medicine.
- Specialises in the assessment and rehabilitation of patients with physical disabilities, injuries, or conditions, using therapeutic exercises, manual techniques, and other modalities.

**Medical Radiology & Imaging Technology :** Simulation based MRI Lab. X-Ray Clinic facility

**Physician Associate, Anaesthesia & Operation Theatre Technology, Critical Care Technology :** Well equipped Skill laboratory for operation theatre Technology and critical care Technology.

**Physiotherapy :** Advanced Exercise Therapy and Electrotherapy Lab

### Medical Lab Science :

- Advanced Molecular Biology and Diagnostic lab.
- Fully automated High End Digital Microscope facility for oncopathology.
- Clinical practical training lab including Immunology, Haematology, Biochemistry, Pathology and Microbiology

**Optometry :** Advanced Vision Therapy and Low Vision Rehabilitation Lab. Refractive Error correction and management lab using fully automated Autorefractometer Advanced Contact Lens & Dispensing lab

## Institute-Industry Collaboration for Internship and Observership

### Programme Highlights

**Medical Radiology & Imaging Technology:** Rewarding career prospect and hands-on clinical training, and access to state-of-the-art imaging facilities in diagnostic radiology imaging.

**Physician Associate, Anaesthesia & Operation Theatre Technology, Critical Care Technology :** Comprehensive medical training, clinical rotations in various specialties, and preparation for a collaborative healthcare role in patient care services.

**Medical Lab Science:** Skilled personnel in medical laboratory and diagnostics techniques in health care practice.

**OPTOMETRY :** Students can customise their educational experience to coincide with their career objectives in the field of contact lens fitting, paediatric optometry, low vision rehabilitation and visual impairment. Become proficient in the use of cutting-edge technologies and diagnostic equipment enabling them to provide patients with high-quality eye care.

**Physiotherapy :** The significance of practical experience in the development of the knowledge and abilities required for efficient patient treatment. They receive hands-on expertise in conducting patient assessments, creating treatment plans, carrying out therapeutic activities, and assessing outcomes without drugs.

### Industry Training

- First Aid Training in collaboration with Indian Red Cross Society
- Basic Life Support (BLS) Training in collaboration with Billion Hearts Beating Foundation (Apollo Hospitals Group)
- Blood Banking Training in collaboration with OM Blood Centre
- AI-Based MRI Simulation: Short-term training using advanced simulation tools developed by Corsmed
- QA in Diagnostic Radiology in collaboration with Radiological Precision Labs (RPL)

# Dreams Made Possible: Testimonies of Vidyalankar Scholars

## Vidyalankar Scholarship 2025

When I received the Brainware Vidyalankar Scholarship, it felt like someone truly believed in my potential. Coming from a modest family, higher education always felt uncertain. This support removed that fear and allowed me to focus completely on learning, growing, and dreaming bigger without constantly worrying about finances.

Subhadeep Das | 90.2% in HS  
Enrolled in B.Tech CSE - AIML

## Vidyalankar Scholarship 2024

The scholarship did not just reduce my fees; it gave me confidence. I no longer felt like a burden on my parents. Instead, I felt empowered to give my best in class, participate in projects, and prepare seriously for my future career.

Rajani Sarkar | 90% in HS  
Enrolled in BCA

## Vidyalankar Scholarship 2025

There was a time when I thought I might have to drop my admission despite securing good marks. The Vidyalankar Scholarship changed everything. It gave me dignity, hope, and the freedom to pursue my education with pride and independence.

Sushoka Zhimo | 93.2% in HS  
Enrolled in LLB

## Vidyalankar Scholarship 2024

Studying at Brainware University with the Vidyalankar Scholarship has been life-changing. I could finally invest my energy in academics, skill development, and internships instead of constantly worrying about expenses at home.

Payel Chatterjee | 90.8% in HS  
Enrolled in BBA

## Vidyalankar Scholarship 2025

This scholarship came at a moment when my family was going through financial stress. It felt like a helping hand extended at the right time. Because of this support, I now study with peace of mind and a deep sense of gratitude.

Shreya Halder | 94% in HS  
Enrolled in BSc in Physician Assistant

## Vidyalankar Scholarship 2025

The Vidyalankar Scholarship motivated me to work harder every single day. It reminded me that merit and effort are valued here. I feel responsible not just to myself, but to everyone who believed in me.

Sayan Ghosh | 90.6% in HS  
Enrolled in BSc in Advanced Networking & Cyber Security
